VACUUM PACKED PRESERVED ITEMS

The enclosed items should be kept in a cool, dry place and should not be stored in their individual pouches for more than 12 weeks after receiving them. For long term storage the items should be transferred into liquid preservative such as our **Odourless Preservative** - details available on request. We also supply a **sealable preserving tub**. Details of all items are in our current catalogue - please contact us at the above address for a copy.
